PROFILE

Creative director and marketing leader with 10+ years of experience building brands, leading creative teams, and designing digital experiences across higher education, nonprofit, and product-driven organizations. Combines strategic leadership with hands-on expertise in UX/UI, brand, web, video, and campaign design. Proven track record of improving conversion, growing audiences, strengthening creative operations, and connecting creative work to measurable organizational outcomes.

LEADERSHIP & STRATEGIC STRENGTHS

- Creative & Brand Direction
- Team Leadership & Mentorship
- Campaign & Channel Strategy
- Marketing Operations & Workflow
- Cross-Functional Collaboration
- Digital Ecosystem Oversight
- Content & Storytelling Strategy

PROFESSIONAL EXPERIENCE

Greenville University | Feb 2025 – Present

Assistant Director of Marketing

- Lead creative and marketing strategy across brand, digital, web, social, email, print, video, and campaign initiatives, aligning execution with enrollment, advancement, and institutional priorities.
- Lead and develop a cross-functional creative/marketing team spanning design, copy, social, digital, and multimedia.
- Led a redesign of Greenville's application experience, simplifying the user journey, reducing friction, and introducing progress indicators and improved field logic; application completion increased from 6% to 9.4%.
- Helped drive two of the largest incoming classes in university history, including an incoming class of approximately 400 students.

Creative Services Manager

- Oversaw digital and social creative contributing to millions of impressions and measurable growth across key marketing channels.
- Established scalable creative systems, workflows, and standards that improved consistency and enabled the team to operate as a strategic marketing function rather than an internal production shop.
- Personally execute high-priority UX/UI, web, campaign, video, and visual design work while directing broader creative strategy.

The Pocket Testament League | June 2023 – Feb 2025

Creative Services Coordinator & Brand Manager

- Led creative strategy across web, UX/UI, digital marketing, product, photography, video, and brand communications.
- Redesigned key web experiences and user journeys, contributing to a 54% increase in revenue.
- Established visual direction across 50+ products, creating greater consistency across product, campaign, and digital touchpoints.

- Directed and project-managed a \$10K+ national mission film, overseeing creative development, production, and post-production.
- Partnered with leadership to translate organizational goals into scalable creative systems and high-performing digital experiences.

Independent Consulting | Jan 2020 – June 2023

Product & Brand Designer (Consultant)

- Led brand, web, and product design initiatives for organizations across nonprofit, higher education, and consumer markets.
- Partnered with founders and marketing leaders to align design strategy with business goals and user needs.
- Delivered CMS-driven digital platforms and scalable brand systems.

Selected Clients: Wendy's Cayman Islands, Chessly, Assemblies of God Chi Alpha

League EGO | Oct 2020 – May 2023

Director of Content Creation

- Defined content and visual strategy to support rapid audience growth and brand consistency.
- Built and led a distributed team of 5+ creators and developers.
- Grew brand presence to 3,800+ Instagram followers, 1,250+ YouTube subscribers, and 1,000+ Discord members within six months from the ground up.

Assemblies of God – Mizzou Chi Alpha | Aug 2017 – May 2023

Director of Promotions

- Led organization-wide branding, marketing, web, and promotional strategy.
- Managed teams of 15+ creatives producing print, digital, and video assets.
- Directed 30+ promotional video projects from concept through execution.
